Executive Accounting Program

March 19-23, 2007

**Center for Financial
Reporting & Management
Haas School of Business
University of California, Berkeley**

Mission Statement

To promote the most innovative financial and managerial accounting education in the country through cutting edge research, outstanding teaching, globally focused curriculum and attention to ethical behavior.

To enhance interaction between students, faculty, practitioners, standard-setters, regulators and business leaders.

Our Commitment

As part of an internationally acclaimed research university, we are committed to promoting high quality financial reporting in the business community worldwide.

Our Core Values

Instruction: Teach innovatively to produce highly-sought-after graduates and tomorrow's global leaders through continuous enrichment of the curriculum in response to changing needs in the market place.

Research: Engage in cutting edge research relevant to the dynamic global business environment.

Interaction: Facilitate dialogue between academicians, accountants, regulators, national/international standard setters and the business community at large.

Relationships: Build productive partnerships with business leaders, employers, and alumni, to explore and seek guidance regarding educational issues that are critical to the future of the accounting profession.

Ethics: Nurture and promote corporate and social responsibility including ethics and values to govern businesses and personal behavior.

About the Program
