Step	Procedure
2	<div data-bbox="203 262 341 388" data-label="Image"> </div> <p data-bbox="365 283 1526 378">When changing your Calnet Passphrase try to use an acronym such as <b>Hbs@Bi#1!</b> -- which stands for <b>Haas Business school at Berkeley is number one!</b> This will make it easier for you to remember the password.</p> <p data-bbox="178 409 1526 472">The new passphrase should contain between 9 and 14 characters, and it should have at least 3 of the following requirements:</p> <ol data-bbox="227 493 812 630" style="list-style-type: none"> <li>1. A capital letter</li> <li>2. A small case letter</li> <li>3. A number</li> <li>4. A special character (e.g. @, \$, #, %, !, etc...)</li> </ol> <p data-bbox="227 651 1209 682">Please refer to the document <a href="#">How do I Create a Good Password</a> for more details.</p> <p data-bbox="178 766 1502 840">At the <b>Change Passphrase or Create Student CalNet ID</b> page, enter the information requested. You will need to enter <b>your Calnet ID, current passphrase, and then enter the new passphrase twice.</b></p> <p data-bbox="178 861 998 892">Once that is done click the button "<b>Change my CalNet Passphrase</b>".</p>

## Change Passphrase or Create Student CalNet ID

This page is for changing your [CalNet](#) passphrase or, if you are a student, for setting your initial passphrase using your TeleBears PIN. (Students:

Your CalNet passphrase plays a critical role in authenticating you to online campus applications. Therefore, not only is it important for you to keep it guess it easily. Accordingly, it is necessary that your passphrase satisfy the [Required CalNet Passphrase Characteristics](#).

CalNet ID:

Current Passphrase or PIN:

New Passphrase:

Enter New Passphrase Again:

*Don't forget your passphrase. You're the only one who knows it! If you do forget it, you'll need to present identification your authorizing agent to have your passphrase reset. STUDENTS: contact [User & Account Services](#); FACULTY, S your [CalNet Deputy](#).*

Step	Procedure
3	You can test your new password by trying to log in to something like the UCB wireless network, AirBears, or by going to a website like <a href="http://software.berkeley.edu">http://software.berkeley.edu</a> and trying to download something.

### CalNet Login

**Note: Your CalNet Passphrase is case sensitive.**

CalNet ID:

Passphrase:

Warn me before logging me into other applications. (?)

If you are having persistent problems authenticating using your CalNet ID and passphrase, please contact [User and Account Services](#) at [accounts@berkeley.edu](mailto:accounts@berkeley.edu), (510) 642-7355 (M-F, 10-4). For answers to general questions about using this service, please see the [IST Knowledge Base](#) section entitled [CalNet Central Authentication Service \(CAS\)](#).
